

Country Best Practices Award 2020 Germany

In recognition of an outstanding approach to **Professional Textile Care** that has set a standard of excellence in advanced professional services.

Coburger Handtuch + Matten-Service (CHMS)

has been selected by an independent international jury as the winner of the Country Award for the best overall performance in Germany, following the official Global Best Practices Award Program 2020 selection procedure Amsterdam, The Netherlands, November 05th 2020.

This initiative has been taken by the CINET Board to profile modern Professional Textile Care and showcase best practices in countries worldwide. National associations and international suppliers nominated over 150 companies from some 40 countries for this prestigious award.
